SALARY: NEGOTIABLE**

PHS Job 2291

A lovely family based in Hambledon, Surrey are searching for a Full-Time Nanny/Housekeeper to look after their 4 years old baby. This position requires a level of flexibility and pragmatic thinking. The family also have dogs and horses so we are looking for a Nanny/Housekeeper who enjoys animals and the outdoors. As the principals can be in the public eye, discretion is vitally important in this role and you may be required to sign an NDA.

Live IN or Live OUT Nanny/Housekeeper Job responsibility will be split between caring for the child and housekeeping. This will incorporate all aspects of housekeeping including cleaning, tidying, laundry (putting away ironing but not doing it), unpacking shopping and general housekeeping including cooking for the child and occasionally for the family if you are happy to do so. We are looking for a Full-Time Nanny / Housekeeper who can fit in to the family busy life style, is very much hands on and possesses good common sense. Teaching experience will be considered as a bonus.

The position could be Live IN or Live OUT as the family are very flexible. In fact, although this job description can sound like it is a very busy day, this is not entirely the case as frequently, if you are finished with your duties ahead of schedule, you will be allowed to finish early. This family will not clock watch and believe in managing the output not the hours. No two days will be the same and you will be able to decide your own hours within reason when you are not caring for the baby. Some weeks there may be several shorter days, some weeks if one or both are travelling on business there will be longer days. For the Live IN Nanny/Housekeeper, a very large bedroom with living space and with private bathroom is provided. There is a very large garden and land so someone who enjoys the outdoors will appreciate this too.

The ideal candidate for a Full-Time Nanny / Housekeeper Job must be experienced in working with children and have good command of the English language, be kind, caring, willing to go to activities and groups as needed. The Live IN or Live OUT Nanny/Housekeeper will be also extremely flexible with working hours which can be agreed ahead of time, reliable, organised, pragmatic and relaxed. The family are laid back and fun, believe in children learning though
