

**LIVE IN HOUSE MANAGING COUPLE JOBS  
DOMESTIC COUPLE JOB | LAKE DISTRICT | UK  
SALARY: Negotiable**

**PHS Job 2658**

Our new clients, a private estate located in the Lake District, UK (LA22), are currently seeking to expand their household staff by hiring a professional full-time live-in House Couple.

The clients, who are a couple with 3 dogs and chickens, have a passion for animals and nature, so the ideal candidate(s) should share the same interests. The property is situated in beautiful grounds, so a love of nature is also important.

Flexibility is key for this role, as the House Couple may be required to work weekends when visitors are present, but will have time off during the week. Most duties will be performed in the main house, but there is also a newly renovated barn on the premises where accommodation will be provided.

The clients will cover all associated running costs, including car insurance for driving their vehicles. If you are a responsible, hardworking individual with a friendly, professional attitude and are seeking a long-term commitment, this full-time live-in House Couple position in Lake District could be perfect for you!
