The children are energetic and curious, with a love for sports, arts, and creative play. They attend school and various extracurricular activities, requiring a nanny who can manage schedules efficiently while providing hands-on engagement during their time at home.

Mayfair is one of London's most prestigious districts, historically known as the home of aristocracy and grand Georgian architecture. The area was originally developed in the 17th and 18th centuries and has since become synonymous with luxury, housing some of the finest private residences, exclusive boutiques, and renowned five-star hotels. A defining feature of Mayfair is its beautifully preserved townhouses, many of which retain their original period details, making this neighbourhood a truly exquisite place to live and work.
