SALARY: £15 – £20 GROSS PER HOUR
PHS JOB 2950**

Perfect Household Staff is proud to present a part-time Housekeeper/Nanny role in Berkshire for a family seeking a reliable, organised, and child-friendly professional to join their household on a permanent basis. Berkshire, often referred to as the Royal County of Berkshire, holds a unique place in British heritage. Home to Windsor Castle, the oldest and largest inhabited castle in the world and a residence of the British monarch, it exudes royal prestige. Berkshire is also known for its top-rated schools, prestigious estates, and locations such as Ascot, famous for its racecourse, and Eton, home to the renowned college. Its combination of cultural significance and quality of life makes it a highly sought-after location for private domestic staff placements.

This informal household consists of two working adults, two school-aged children (6 and 7 years old), and two beloved guinea pigs. The family live in a lovely four-bedroom home and are looking for someone who can confidently manage household duties while also providing occasional childcare support. This is an ideal opportunity for a professional Housekeeper/Nanny in Berkshire looking for long-term, part-time work with varied responsibilities.

This private housekeeper/nanny position in Berkshire involves working 2 days per week (specific days to be confirmed, though Friday is excluded). The successful candidate will take pride in maintaining high standards of cleanliness, be proactive in managing domestic tasks, and feel comfortable supporting young children with schoolwork, activities, and routines.

The role focuses primarily on housekeeping—including standard and deeper cleans, laundry, tidying—but also includes supporting children with snacks, light lunches, basic food service and pantry organisation. The family also have two small pets (guinea pigs), and the successful candidate will be responsible for their general care and maintaining their living environment. Applicants must be in possession of a full UK driving licence, as driving is a key requirement of the position.
