

**PERMANENT FULL-TIME (LIVE-IN OR LIVE-OUT) HOUSEKEEPER JOB I
MANCHESTER, UK
SALARY: £20 – £25 GROSS PER HOUR
PHS JOB 2990**

Perfect Household Staff is pleased to present an exciting opportunity for a professional, proactive and trustworthy live-out or live-in Housekeeper to join a vibrant family household in Manchester. This is a full-time role in a truly remarkable spacious private home, suitable for an experienced candidate seeking long-term stability and a warm working environment.

Our client is a welcoming and respectful professional with a dynamic household, including two parents, three children (ages 12, 16, and 19), and a friendly chihuahua. The family are relocating to their newly built residence in early September 2025 and are seeking an individual with excellent initiative who can confidently run the home day to day and provide light family-style cooking. This household also supports businesses from home and has a high level of foot traffic, so a calm and capable presence is key.

The property spans three floors, includes seven bedrooms, seven bathrooms, a swimming pool, gym, home office, and expansive open-plan living areas. The ideal candidate will be personable, friendly, and genuinely enjoy engaging with the family while still being able to manage tasks independently. The family are happy to consider both live-out and live-in applicants – a private apartment is available within the residence if required.

Our household staffing agency has been assisting professionals in finding excellent domestic staff roles for over a decade. We are one of the top boutique agencies in the UK. If you are seeking a full-time housekeeper position, we are here to help you find a fantastic job.

Only candidates who have the eligibility to work in the UK will be considered for this role.
