#### **PHS Job 3076**

Perfect Household Staff is a leading domestic recruitment agency with over 15 years of expertise in the industry. We are excited to offer this unique travel butler position with a high-net-worth family in Lusail City, Qatar. This is an exceptional opportunity to work with a distinguished family who travel frequently across Europe and beyond. As a travel butler, you will have the opportunity to demonstrate your outstanding attention to detail, client-relations skills, and ability to multitask in an exciting and dynamic environment.

The family consists of a sir and a madam who frequently travel both for work and leisure. They are seeking two travel butlers—one to serve the sir and the other to attend to the madam—both of whom will play a key role in ensuring their domestic and travel needs are met with exceptional service. This role requires a pro-active, professional travel butler who is committed to providing the highest level of service, with an eye for detail. The family resides in Lusail City, a modern, rapidly developing area known for its luxury residential complexes and cutting-edge design. This role may require frequent international travel to Europe, the USA, and Canada.

Lusail City is one of the most ambitious and prestigious urban developments in the Middle East, located just 15 kilometres north of central Doha. Designed to be Qatar's next major metropolitan centre, Lusail is known for its futuristic architecture, expansive green spaces, and innovative design concepts. The city is home to some of the world's most luxurious residential areas, shopping malls, and recreational facilities, making it a prime location for high-net-worth families.

As a travel butler, you will be responsible for providing full butler service to the sir or madam, ensuring their needs are met at all times, especially when traveling. You will be required to handle luggage logistics, including packing and unpacking clothing and personal items, and taking care of fine fabrics and accessories. Additional duties include managing airport arrangements, check-in and check-out, baggage handling, and other personalised services to ensure smooth and efficient travel. Flexibility and discretion are crucial, as the family's schedule can be fast-paced and subject to change.

Accommodation will be provided in a luxury villa, with all necessary amenities to ensure your comfort during your time off. The villa offers a private and peaceful environment where you can relax after your duties.
