

PERMANENT LIVE-IN HOUSEKEEPER JOB | DUBAI & TEHRAN
SALARY: 10,000 – 15,000 AED per month
PHS JOB 3083

Perfect Household Staff are pleased to present a live-in VIP housemaid opportunity with a highly respectful, semi-formal household consisting of two principals (husband and wife). The role is based across two luxury residences — a 2,000 sq ft apartment on Palm Jumeirah, Dubai, and a 5,000 sq ft private villa in Fereshteh, Tehran. Both residences are elegantly furnished with marble, wood, and glass surfaces that require specialist care.

The family travel frequently between their two properties (approximately 50% of the year in each location) and require a professional, discreet, and well-presented housemaid who can provide consistent support and maintain the highest standards of service and cleanliness.

Working as a VIP housemaid in this household requires proven experience in luxury residences, excellent housekeeping skills, and strong organisational ability. The professional will be entrusted with daily cleaning, wardrobe care, and supporting household routines, ensuring the home is always immaculate and welcoming. Discretion, efficiency, and reliability are essential qualities for this role.

This is a live-in position, and in both residences the professional will be provided with a private bedroom, private bathroom, meals, and all basic necessities, ensuring a comfortable stay with complete privacy.

We are recognised as one of the UK's top boutique domestic staffing agencies, specialising in VIP, HNW households worldwide.
