PHS Job 3115

A family living between Dubai and Ibiza is seeking a Travel Nanny-Housekeeper for their two-year-old son. This position will involve traveling to various locations, including Ibiza and Lisbon. The family is looking for someone who can care for their toddler, ensuring his well-being without the use of screen time, and assist in maintaining a clean, organised home environment. The family's house in Dubai is a spacious two-floor, six-bedroom, three-bathroom property with three living spaces, offering a comfortable setting to live and work.

As a Travel Nanny-Housekeeper, you will be responsible for a wide range of duties that ensure the smooth running of the household. These will include cleaning, laundry, ironing, and food preparation for the family. You will also be responsible for looking after the two-year-old boy, ensuring that his activities are screen-free and that he is engaged in developmental play. The boy is in nursery until 16:00, and during this time, you will focus on household chores. There are no dietary restrictions for the family, but the child does not consume sugar, and the family has specific preferences for meals that include no sugar and no processed foods.

The role offers fantastic accommodation during working periods — a private room with its own bathroom and shower — ensuring your comfort during intensive schedules.
