

## **LIVE-OUT FULL-TIME RUSSIAN-SPEAKING NANNY JOB LIVE-OUT PERMANENT NANNY JOB | DUBAI**

**Salary: AED 10,000 – AED 15,000 per month**

### **PHS Job 3139**

A warm and welcoming family residing in Dubai is seeking a professional, experienced, and Russian-speaking Nanny to join their household on a permanent, live-out basis. The family has two children, aged three and twelve, with the main focus of the role being on the care and development of the younger child. The current nanny will be finishing her employment at the end of the year, and the family would ideally like the successful candidate to commence as soon as possible to ensure a smooth handover and transition period.

The nanny will be responsible for creating a safe, nurturing, and stimulating environment for the children. The day-to-day routine will centre around the three-year-old, including supporting his nursery schedule, planning engaging and educational activities, and providing consistency in routines. The twelve-year-old requires less direct care, but the nanny will be expected to coordinate with the family's chauffeur to accompany her to and from extracurricular activities when needed.

The family places great importance on kindness, patience, flexibility, and teamwork. The ideal candidate will be calm under pressure, able to take direction constructively, and work harmoniously alongside other household staff. A respectful and professional attitude is essential, as is a genuine love for childcare and an adaptable approach to family life. The household also includes two cats and a fish, so the nanny must be comfortable around pets.

This position offers excellent long-term prospects for the right candidate, along with a competitive salary package and formal employment benefits in line with Dubai standards.
