Dubai continues to be one of the world's most sought-after locations for domestic staff, offering a dynamic lifestyle, safety, and comfort. Known for its stunning skyline, pristine beaches, and exceptional hospitality, Dubai provides a welcoming environment for those pursuing long-term private service careers.

This position would suit a meticulous, proactive, and trustworthy professional with previous experience working in private households. The principals are both hardworking individuals with demanding careers, meaning they spend much of their time away from home. The position offers comfortable live-in accommodation, ensuring privacy and convenience for the successful applicant. The family are kind, respectful employers who value reliability, attention to detail, and discretion.
