

PERMANENT LIVE-IN HOUSEKEEPER JOB | TRINITY, JERSEY CHANNEL ISLANDS
SALARY: £20–£25 GROSS PER HOUR
PHS JOB 3255

Perfect Household Staff are delighted to be assisting a respectful and long-established household based in Trinity, Jersey, with the recruitment of a professional live-in Housekeeper. The principals are a couple who value continuity, discretion, and trust, having employed their current housekeeper for almost a decade. The role arises due to retirement, making this an exceptionally rare long-term opportunity.

Trinity is a desirable mid-island location offering a peaceful lifestyle while remaining within easy reach of St Helier, Jersey's capital, which is approximately two miles away. The household is calm, well-organised, and low-traffic, making this an ideal role for a housekeeper seeking stability, privacy, and a respectful working environment.

The role is not physically demanding and does not involve childcare or pet care. The principals are independent, clear in their expectations, and value a housekeeper who uses initiative while respecting boundaries.

This is a live-in position offering exceptional accommodation. The successful candidate will reside in a self-contained cottage attached to the property but fully private. The accommodation includes three bedrooms (one en-suite), a separate kitchen, living room, private garden, and full privacy.

Our household staffing agency has been assisting professional Housekeepers in securing exceptional private household positions for over 15 years. We are one of the leading boutique domestic recruitment agencies in the UK. If you are seeking a long-term Housekeeper role, you have come to the right place. We will support you throughout the process and help you secure the right position.

Only applicants with the right to work in the UK can be considered.
