Salary: £20 — 25 gross per hour

PHS Job 3256

Perfect Household Staff is delighted to present a permanent, part-time, live-out Housekeeper position supporting a very busy gentleman based in Watford, Hertfordshire. The principal lives alone in a well-maintained two-bedroom apartment with a balcony, living room, and kitchen and is preparing for his girlfriend to move in. The gentleman frequently welcomes guests, some of whom may arrive with children or a dog, and therefore values a reliable and flexible housekeeper who can maintain the apartment in a very particular way. Watford is a vibrant and well-connected town, offering excellent local amenities, green spaces, and outstanding transport links into Central London, making it a highly desirable area to work in.

Working as a professional Housekeeper in a private residence requires a high level of organisation, discretion, and attention to detail. This role would suit a pro-active and self-motivated individual who is comfortable working independently and following specific household expectations. The successful candidate will be responsible for maintaining the apartment to a consistently high standard, managing cleaning routines, and ensuring the home remains welcoming and presentable, particularly after guests. Flexibility and reliability are essential, as the household's needs may vary from week to week. The Housekeeper should be self-employed.

This is a live-out position and is easily accessible by public transport, with the apartment located close to a metro station and benefiting from excellent local transport links. There is also a parking space available nearby, making the role convenient for candidates commuting either by car or public transport.
