PHS Job 3291

Perfect Household Staff is pleased to introduce a permanent, long-term position for an experienced and dependable part-time live-in Housekeeper/Cook within a private residence located in Aston, close to Stevenage, East Hertfordshire. The principals are looking to appoint a professional, discreet and adaptable individual who can uphold high domestic standards and work autonomously as part of a small, well-established household team. This role offers high-quality accommodation alongside the security of long-term employment.

The successful candidate will be provided with a **self-contained three-bedroom house** on the premises, with **all utility bills and council tax fully covered by the employer**. Comparable three-bedroom rental properties in the Aston / Stevenage area typically command **in excess of £1,500 per month**, representing a substantial non-taxable benefit in addition to the offered salary.

Aston is a village located close to Stevenage in East Hertfordshire, offering a peaceful setting with convenient access to local amenities. Due to the location of the property, a driving licence would be beneficial. The household is also staffed with a gardener and a PA, ensuring clear structure and support. The ideal candidate will be an experienced Housekeeper/Cook who takes genuine pride in their work and is comfortable working independently within a private household environment. The role will involve maintaining the cleanliness, organisation and smooth day-to-day running of the home, alongside preparing and cooking evening meals for the principals only. The cooking requirements are straightforward, with dinners prepared and served at a pre-agreed time.

Flexibility is required during periods when the principals are travelling. On such occasions, the Housekeeper/Cook will be expected to remain on the premises, including weekends, to provide basic house-sitting and pet care duties, such as feeding the cats and walking the dogs. This position would suit a candidate who values stability, enjoys a calm working environment, and is seeking a long-term live-in role with a respectful and well-structured household.
