PHS Job 3321

Perfect Household Staff is pleased to present a full-time, live-in, permanent chauffeur opportunity based in Dubai within a private family residence. The household is occupied by two adults and a newborn child, offering a structured, respectful, and professional environment suited to a reliable and discreet chauffeur.

The successful candidate will be responsible for providing safe, punctual, and professional transportation for the principals using a luxury Mercedes G63, ensuring all journeys are conducted smoothly and comfortably. Daily duties will include driving for appointments, errands, shopping, nursery-related travel in the future, and occasional airport transfers, while supporting the overall logistics of the household. The role will also involve maintaining the vehicle to an immaculate standard, including cleaning, refuelling, routine checks, and coordinating servicing to ensure the vehicle remains fully prepared at all times.

The family is seeking a calm, safety-conscious, and well-presented professional with prior experience transporting newborns and children, demonstrating careful, smooth driving habits and a strong understanding of safety considerations when travelling with young passengers. Discretion, flexibility, excellent route planning, and strong knowledge of Dubai roads are essential, alongside the ability to anticipate traffic conditions and adapt to the family's schedule.

In addition to driving duties, the successful candidate will assist with general household maintenance and practical tasks. This includes supporting the upkeep and smooth running of the residence, carrying out minor repairs, and ensuring the property remains well-maintained. The role requires a proactive and practical approach to household tasks, helping to maintain a safe, organised, and fully functional home environment.
