LIVE-IN DOMESTIC COUPLE JOB | GLENBORRODALE, WEST HIGHLANDS,  
SCOTLAND**

**Salary: £60,000 – £70,000 gross per annum**

**PHS Job 3325**

Perfect Household Staff is delighted to present an exceptional opportunity for an experienced and dedicated Live-In Domestic Couple to join the private estate of a distinguished principal located in Glenborrodale, West Highlands, Scotland. This permanent, long-term appointment is ideally suited to a professional, practical and self-sufficient couple seeking stability within a rural environment.

The estate is occupied by the principal and family approximately twice per year. During these periods, the household will require full service support, detailed preparation and a proactive, guest-focused approach. Outside of occupancy periods, the Domestic Couple will assume complete responsibility for ensuring that the estate remains secure, impeccably maintained and fully operational at all times. This includes ongoing housekeeping, preventative maintenance, monitoring of utilities, management of contractors and general estate oversight. The principals are seeking a trustworthy couple who will treat the property with pride and long-term commitment, acting as reliable guardians of the home in their absence.

The role requires excellent organisational ability, practical problem-solving skills and a high level of discretion. The successful couple must be comfortable working independently for extended periods and confident managing responsibilities without direct supervision. Separate private accommodation is provided on the estate, offering privacy and independence.
