**Salary: £30,000 – £45,000 Gross per Year**

### **PHS Job 3407**

Perfect Household Staff is delighted to present an excellent opportunity for a professional, experienced and detail-oriented Live-In Housekeeper Cook to join a warm and respectful family based in Manchester. This is a permanent, full-time position within a well-organised private household, offering long-term stability in a calm and structured environment.

The property is a well-maintained six-bedroom residence set across three floors. The household consists of two principals and two adult children, with additional adult family members visiting on occasion. The family is notably tidy, ensuring a steady and manageable workload, supported by the presence of another full-time Housekeeper. The previous Housekeeper remained with the family for 10 years, reflecting the positive and respectful working environment.

The successful candidate will be responsible for maintaining the highest standards of housekeeping, including cleaning, laundry and organisation, as well as preparing healthy, home-style meals for the family. A good understanding of Indian cuisine is strongly preferred, with consideration required for dietary preferences, including vegetarian meals and no beef preparation. The role also involves managing household supplies, grocery shopping and ensuring the kitchen, including marble and granite surfaces, is properly maintained.

The family travels on a monthly basis, providing the opportunity for deep cleaning and organisation projects. The environment is informal yet professional, and the family rarely entertains, ensuring a consistent daily routine.
