**SWISS COTTAGE | LONDON | GB**

**SALARY: £40,000- £45,000 per annum gross**

### **PHS JOB 3453**

A rare and genuinely wonderful opportunity has emerged to join a dynamic, cosmopolitan, and warmly welcoming private family in the heart of Swiss Cottage, NW3 — one of London's most prestigious, peaceful, and sought-after residential neighbourhoods. The family comprises two principals and two delightful daughters aged 5 and 11, and they are moving into a beautifully appointed, generously proportioned 400-square-metre residence set across two floors in June 2026. They are now seeking a remarkable Live-In Housekeeper-Nanny to become a genuinely cherished and long-term member of their household.

The family's new home is a stunning private residence that will become a true sanctuary for the right professional. The successful candidate will benefit from a beautifully appointed, fully self-contained private living space — complete with a private entrance, en-suite shower room, and full independence and privacy — whilst being warmly integrated into the heart of the family home. All utilities, meals, and household supplies are provided in full throughout the placement.

This is a position for someone genuinely exceptional — a bright, energetic, and warmly enthusiastic professional who brings a natural positive energy to every room they enter. The ideal candidate does not wait to be told what to do — they observe, anticipate, and act with confident initiative, managing the household with quiet pride and building a genuine, joyful, and lasting connection with both the children and the principals.
