

RUSSIAN SPEAKING PERMANENT LIVE-IN OR LIVE-OUT HOUSEKEEPER NANNY | ANGEL, ISLINGTON, LONDON

SALARY: £40,000- £48,000 per annum gross

PHS JOB 3444

An exciting and truly unique opportunity has arisen to become an integral part of a vibrant, internationally minded family based in the heart of Angel, Islington — one of London's most beloved and culturally rich neighbourhoods. The household comprises two warm and busy principals and two wonderful daughters aged 5 and 11. The family are preparing to relocate to a stunning, spacious 400-square-metre residence across two floors in the prestigious NW3 area from June 2026, and they are now seeking an exceptional, energetic, and Russian-speaking Housekeeper-Nanny to become a trusted and valued member of their household team.

This is a role that calls for someone truly special — a bright, proactive, and genuinely warm-hearted professional who brings energy, initiative, and a positive presence to everything they do. The successful candidate will be the kind of person who walks into a room and immediately makes it a better place — someone who anticipates needs before they arise, takes ownership of the household with pride and confidence, and builds a natural, joyful rapport with both the adults and the children in the family.

Regarding the living arrangement — the role is currently offered on a live-out basis whilst the family's new NW3 home undergoes its final preparations. An earlier start is warmly welcomed, as support during the house move and transition period would be greatly appreciated. From mid-June 2026, the position may transition to a live-in arrangement (optional), with the incoming professional benefitting from a beautifully designed, fully self-contained private room featuring its own separate entrance via the garden, a private ensuite shower room, and toilet facilities — offering complete independence and privacy whilst remaining connected to the warmth of the family home. All utilities, food, and household supplies are fully provided.
