

PERMANENT FULL-TIME LIVE-IN OR LIVE-OUT HOUSEKEEPER NANNY JOB

LONGBENTON | NEWCASTLE UPON TYNE | TYNE AND WEAR | GB

Salary: £52,000 – £65,000 gross per year

PHS Job 3498

Perfect Household Staff is delighted to present a wonderful opportunity for a professional and experienced housekeeper nanny to join a welcoming family based in Longbenton, Newcastle upon Tyne, Tyne and Wear. Longbenton is a well-connected and family-friendly residential area located close to Newcastle city centre, offering excellent local amenities, green spaces, schools, and transport connections. The principals are a busy family of five with three children and a small dog who are seeking a reliable, child-friendly, and hard-working housekeeper nanny to take charge of the smooth running of their household so they may dedicate more time to their family business within the hospitality sector. The family values professionalism, an eye for detail, and a warm and supportive approach to childcare and household management.

Working as a housekeeper nanny within this household will involve a combination of housekeeping, childcare support, and household organisation. The successful candidate will be responsible for maintaining cleanliness and organisation throughout the home, managing laundry and ironing, assisting with school drop-offs and pick-ups, and accompanying the children to after-school activities. Shopping duties and occasional babysitting will also form part of the role. Cooking may occasionally be appreciated, although it is not an essential duty, as the family often receives meals through their hospitality business. The role requires a flexible and pro-active professional who enjoys working with children and is capable of independently managing a busy family household. For driving duties and errands, the candidate may use either their own vehicle or one provided by the principals with mechanical transmission. The family is open to both live-in and live-out arrangements. For the live-in option, accommodation consists of a separate bedroom with a bathroom shared with the family.
