

**PERMANENT FULL TIME HOUSEKEEPER / CARER JOB  
LIVE IN HOUSEKEEPER / CARER JOB | HUNSTANTON, NORFOLK, GB  
Salary: up to £50,000 annually gross**

**PHS Job 3481**

Perfect Household Staff is delighted to present a rare opportunity for an experienced and compassionate Live-in Housekeeper / Carer / House Manager to join a distinguished private household located in the beautiful coastal countryside area of Norfolk, United Kingdom. This is a long-term permanent position working for a highly respectful and welcoming couple who are seeking a trustworthy professional to support the smooth day-to-day running of their residence and family life. The property is an elegant and characterful Victorian home offering extensive accommodation with multiple reception rooms, landscaped surroundings, and stunning sea views visible directly from the house. The successful candidate will benefit from completely separate self-contained annex accommodation featuring its own private entrance, bedroom, bathroom, kitchen, and living area, offering an exceptional level of comfort and independence rarely available within live-in roles.

This position would particularly suit an organised, emotionally intelligent, and service-oriented professional who enjoys countryside living, appreciates a peaceful environment, and values developing a long-term role within a respectful household. The position combines elements of housekeeping, light private care, cooking, companionship, household coordination, and light administrative assistance, making it an excellent opportunity for a versatile all-rounder with previous private household experience.

Only two principals reside permanently within the property, alongside a cat. The role does not involve formal service, although very good housekeeping skills and high standards are expected throughout. External contractors are responsible for gardening and handyman duties; however, the successful candidate may occasionally assist with deeper household cleaning and maintaining the overall presentation and organisation of the home. Light PA support will include basic filing of paper documents and assisting with simple household administration where required.

The ideal candidate will possess excellent English communication skills, confidence in managing household responsibilities independently, a calm and compassionate nature, and previous experience supporting elderly principals or working within private

households. Driving would be highly advantageous due to the countryside location, and a vehicle may be available for work-related and reasonable personal use. Flexibility will be highly appreciated from the successful candidate; however, the principals are equally prepared to offer flexibility and understanding in return. Two full days off will be provided throughout the week depending on the household schedule and requirements.
