

PERMANENT PART-TIME LIVE-OUT HOUSEKEEPER JOB ANDOVER | HAMPSHIRE | GB

Salary: £20 - £25 GROSS PER HOUR

PHS Job 3499

Perfect Household Staff is delighted to present a fantastic opportunity for a professional, friendly, and initiative-driven Housekeeper to join a welcoming young family based in the picturesque village of Wherwell, near Andover in Hampshire. The household comprises two adult principals and two young children living in a well-maintained four-bedroom family home. The family are seeking a diligent and detail-oriented Housekeeper who is comfortable working around children and capable of maintaining the property to a consistently high standard while contributing to the smooth day-to-day running of the household. Located in a beautiful rural setting surrounded by Hampshire countryside, this role would suit somebody who enjoys working within a calm family environment and takes pride in creating an organised and well-presented home.

This is a permanent, live-out, part-time position offering approximately 12–15 working hours per week across three or more days, with a preference for morning shifts to allow the successful Housekeeper to assist with kitchen cleaning and household organisation following the family's breakfast routine. Due to the rural location of the property, **an own car is essential**, as the home is not accessible by public transport. Working as a Housekeeper within this household involves maintaining high standards of cleanliness, organisation, and presentation throughout the property while managing regular household duties independently and proactively. The family would also welcome occasional light meal preparation, although cooking is not a primary responsibility within the role.

Working as a Housekeeper in this household includes comprehensive cleaning duties, scheduled deep cleaning, laundry and ironing, wardrobe organisation, bed changing, and maintaining tidy and organised family living areas. Particular attention is required when caring for the property's wooden floors, ensuring they are maintained appropriately using suitable cleaning methods and products. Additional responsibilities include tidying up after the children, maintaining immaculate kitchen presentation, and supporting the smooth running of the household through a thoughtful and organised approach. The family prefer eco-friendly household products and are looking for a Housekeeper who works with care, initiative, and excellent attention to detail within a busy but welcoming family home.
