

## PERMANENT PART-TIME LIVE-IN HOUSEKEEPER COOK JOB

CLIFTON | BRISTOL | SOUTH WEST ENGLAND | GB

Salary: £25 gross per hour

PHS Job 3523

Perfect Household Staff is delighted to present a wonderful opportunity for an experienced housekeeper cook to join a kind and welcoming elderly couple residing in a spacious two-storey apartment in the highly desirable area of Clifton, Bristol. Renowned for its elegant Georgian architecture, beautiful green spaces, and vibrant community atmosphere, Clifton is one of Bristol's most prestigious residential districts. The principals are seeking a caring, committed, and reliable housekeeper cook who takes genuine pride in their work and enjoys supporting an elderly couple in maintaining a comfortable and well-organised home environment.

Working as a housekeeper cook in a private household requires excellent attention to detail, discretion, and the ability to manage a variety of domestic responsibilities efficiently. The successful candidate will be responsible for maintaining high standards of cleanliness throughout the property, managing laundry and bed linen changes, and assisting with the preparation of simple, healthy meals. The principals have specific dietary preferences, including dairy-free and gluten-free meals, with simple preparations of fish, meat, and chicken, avoiding garlic, onions, and rich sauces. This role would suit a professional who enjoys creating a welcoming home environment and providing thoughtful support to their employers.

One of the most attractive aspects of this position is the excellent live-in accommodation. The successful housekeeper cook will be provided with a private studio apartment situated on a separate floor of the principals' residence with its own private entrance, allowing for excellent privacy and independence. The principals may also consider allowing the successful candidate's partner to reside in the accommodation, making this a particularly appealing opportunity for professionals seeking comfortable and secure living arrangements. There is also potential for additional working hours within the apartment of the principals' daughter, providing an opportunity to increase earnings if desired.
