Salary: £20 - £25 GROSS PER HOUR

PHS Job 3526

Perfect Household Staff is delighted to present an excellent opportunity for an experienced, proactive, and detail-oriented Housekeeper to join a welcoming private household currently based in Wilmslow and relocating to a beautifully renovated home in Over Alderley later this year. The household comprises two busy professional principals, with their two teenage boys staying on a part-time basis. The family are seeking a Housekeeper who takes genuine pride in their work, uses initiative without requiring supervision, and enjoys creating a calm, organised, and well-maintained home environment. This is a rare opportunity to become involved before the family move into their newly renovated property, helping establish household systems and organisation from the very beginning. Due to the rural setting, an own car and driving licence are essential.

Working as a Housekeeper within this household offers the opportunity to become a trusted long-term member of the family's support network. The successful Housekeeper will be responsible for maintaining high standards of cleanliness and organisation throughout the home while helping the principals manage the practical day-to-day running of their household. The family are looking for someone who is comfortable around children, highly organised, initiative-driven, and capable of identifying tasks without direction. Duties will include housekeeping in a 3 bedroom house, laundry, ironing, wardrobe management, household shopping, running errands, monitoring household supplies, and occasional light meal preparation or assistance. The role will initially be based at the family's current home in Wilmslow before transitioning to their newly renovated residence in Over Alderley.

This is a permanent, part-time, live-out position offering excellent flexibility and long-term stability. The schedule is structured across three working days per week, with approximately 15–20 working hours. The family are seeking a Housekeeper who enjoys taking ownership of their role, pays close attention to detail, and is motivated by maintaining a home to an exceptional standard. This position would particularly suit a professional Housekeeper who values longevity and would enjoy helping a family settle into a new home while creating efficient systems and organisation from the outset.
