

**PERMANENT FULL-TIME LIVE-OUT NANNY / GOVERNESS JOB | KENSINGTON | LONDON | GB**

**Salary: £57,000–£62,000 gross per year**

**PHS Job 3538**

Perfect Household Staff is delighted to present an excellent opportunity for an experienced, professional, and energetic Nanny/Governess to join a warm and welcoming family based in Kensington, London. The family is seeking a reliable and proactive childcare professional to assist with the care and development of their three children aged 4 years, 2 years, and 6 months.

This is a fully staffed household where the successful candidate will work alongside another full-time nanny and a full-time housekeeper. As such, the role is focused entirely on childcare and child-related responsibilities, with no housekeeping duties required.

The family is looking for a hands-on, active, and organised nanny who enjoys engaging with young children and supporting their development through educational activities, structured routines, and positive encouragement. The role would suit a candidate who is confident managing busy afternoon and evening schedules, coordinating extracurricular activities, and fostering a nurturing and stimulating environment.

A typical day will include caring for the youngest child during the afternoon, collecting the older children from nursery and school, supervising activities and play, supporting learning and development, preparing simple and nutritious meals for the children, and overseeing bath and bedtime routines. The children enjoy a variety of activities including music, sports, and French language tuition.

This is a long-term opportunity with a family that values stability and commitment. Their current nanny has been with them for several years, reflecting the positive and supportive nature of the household.

French language skills would be highly advantageous, although excellent English is essential.
