**Salary: starting with £30,000 gross per year based on skills and qualifications**

### PHS Job 3540

Perfect Household Staff is delighted to present an exciting opportunity for a professional, caring, and highly organised Nanny to join a warm and busy private household located on the beautiful Isle of Man. The household comprises two adult principals, six children aged between 1 and 14 years old, and additional household staff, creating a well-supported family environment where teamwork and communication are highly valued. The family is seeking an adaptable, patient, and enthusiastic Nanny who enjoys working with children of varying ages, can confidently manage busy routines, and is committed to providing attentive, nurturing care. The Isle of Man offers an exceptional quality of life, combining stunning coastal scenery, picturesque countryside, excellent schools, and a safe, family-friendly community, making it a wonderful location for an experienced childcare professional seeking long-term employment.

This is a permanent, live-out rota position working three 12-hour shifts per week, totalling approximately 36 hours, on a rotating schedule alongside another professional Nanny to provide continuous six-day childcare cover. Some weekend work will be required, and flexibility is essential to accommodate the family's schedule, occasional longer shifts, and travel when required. Due to the island location and the nature of the role, applicants must already hold the right to work on the Isle of Man, possess a valid driving licence, have **their own vehicle**, and be confident completing school runs, extracurricular activities, and children's appointments. This position would suit an experienced Nanny seeking a structured rota role within a welcoming and well-organised household.

Working as a Nanny within this household involves providing high-quality childcare whilst ensuring the children's routines, wellbeing, education, and development are consistently supported. Responsibilities include supervising children aged 1 to 14 years, preparing nutritious meals, assisting with homework, organising educational and creative activities, completing school and nursery runs, coordinating children's schedules, and maintaining excellent communication with both the parents and the second Nanny to ensure seamless handovers between shifts. The successful candidate will also support occasional family travel, accompany the children on outings, keep children's areas organised, and contribute positively to the smooth daily running of this busy family home. This role is ideally suited to a proactive, organised, and engaging Nanny who enjoys working collaboratively whilst confidently taking responsibility for multiple children's changing needs.
