

## PERMANENT PART-TIME LIVE-OUT NANNY/HOUSEKEEPER JOB SOUTH GODSTONE | SURREY | GB

Salary: £25 gross per hour

### PHS Job 3543

Perfect Household Staff is delighted to present an excellent opportunity for a professional, caring, and dedicated Nanny/Housekeeper to join a warm and welcoming private household located in the picturesque village of South Godstone, Surrey. The household comprises two adult principals and their two young sons, who are seeking a kind, compassionate, and dependable professional to become a valued part of their family for many years to come. The family greatly appreciates loyalty and longevity and hopes to find someone who will remain with them as the children grow older and their childcare needs naturally evolve. South Godstone offers a peaceful village setting surrounded by beautiful Surrey countryside whilst benefiting from excellent transport links to nearby towns, making it an attractive location for professionals seeking a balance between rural living and accessibility.

This is a permanent, live-out, part-time position working four afternoons per week, from 1:30 pm until 6:30 pm, totalling approximately 20 hours per week. The position is offered on a self-employed basis and combines childcare with housekeeping responsibilities, providing an enjoyable variety throughout the working day. The property is a spacious five-bedroom family home where a separate cleaner undertakes the deep cleaning, allowing the successful Nanny/Housekeeper to focus on maintaining the home's presentation, supporting the children's routines, and assisting with the smooth running of family life. Due to the location and the requirement to complete daily school, nursery, and activity runs, **a full driving licence and own car are essential.**

Working as a Nanny/Housekeeper within this household involves providing attentive after-school care for the children while maintaining a well-organised and welcoming home environment. Responsibilities include completing school and nursery collections, transporting the children safely to extracurricular activities, assisting with homework, occasionally preparing healthy meals for children, and providing occasional evening babysitting. Earlier in the afternoon, the role focuses on general housekeeping duties, including laundry, maintaining high standards of cleanliness, and caring for specialist household finishes such as silver, marble, stone, and wood. This position would suit a security-conscious, organised, and nurturing professional who enjoys building lasting relationships with families and takes genuine pride in supporting both childcare and household management.
