

PERMANENT PART-TIME LIVE-OUT HOUSEKEEPER JOB

MILNGAVIE | SCOTLAND | GB

SALARY: £20–£25 PER HOUR GROSS

PHS JOB 3557

A wonderful opportunity has arisen for an experienced, dependable, and self-motivated private Housekeeper to join a beautiful modern family home nestled in the charming and peaceful hamlet of Mugdock, near Milngavie in East Dunbartonshire. Set within one of Scotland's most picturesque rural landscapes, Mugdock sits just minutes from the breathtaking Mugdock Country Park and is within easy reach of Glasgow city centre.

The household is a well-maintained, modern private home, comprising five bedrooms, five en-suite bathrooms, and two additional bathrooms across multiple floors. The principal family splits their time between the UK and their residences abroad, and the household is also home to a grown-up son who resides at the property. The family are looking for a trustworthy, reliable, and experienced Housekeeper who can take genuine ownership of the home and maintain it beautifully whether the family are in residence or away. A warm, cat-friendly approach is also essential, as the household has two beloved cats.

The role calls for someone who is proactive, professional, and takes genuine pride in the homes they care for. The successful candidate will be the trusted anchor of this household — maintaining its immaculate presentation, liaising with the principal remotely, coordinating local contractors, and ensuring the home is always in perfect order, whether freshly welcoming the family home or maintaining the highest standards during their absence.

As this is a rural location with no public transport through the village — though just a five-minute drive to the local town of Milngavie — a full clean driving licence and access to a personal vehicle are essential requirements for all applicants.
