

**PERMANENT FULL-TIME LIVE-IN DOMESTIC COUPLE
HIGHMOOR, NEAR HENLEY-ON-THAMES | SOUTH OXFORDSHIRE | GB**

Salary: Negotiable

PHS Job 3593

Perfect Household Staff is delighted to present an exceptional opportunity for an experienced and professional Domestic Couple to join a prestigious private estate in Highmoor, near Henley-on-Thames, South Oxfordshire. This is a full-time, live-in position commencing in September and offers the opportunity to become part of a friendly, well-established household team within a beautiful country residence.

The family is seeking an additional Domestic Couple to support the smooth running of the estate alongside their existing Domestic Couple, who will remain in post. Working closely with the Estate Manager and other members of staff, the successful couple will contribute to maintaining the property to an exceptional standard whilst working within a collaborative and supportive environment.

The role will involve comprehensive housekeeping, general handyman duties, light food preparation and assisting with the day-to-day operation of the household. No gardening duties are required, as dedicated gardeners are employed to maintain the grounds. During periods when the family is in residence, a private chef is also employed, therefore cooking responsibilities will generally be limited to simple meal preparation and occasional assistance in the kitchen. The property is equipped with smart home technology, and the successful couple will receive full training on the household systems. Previous experience with smart home technology or CCTV systems would be advantageous but is not essential.

The family spends extended periods away from the property throughout the year, although the estate must always be maintained to the highest standards and ready for their return. Formal employment is offered together with standard holiday entitlement. During periods when the principals are in residence, the successful couple will be expected to work two weekends per month, with time off in lieu provided during the week.
