

PERMANENT PART-TIME LIVE-OUT NANNY JOB ROQUEBRUNE CAP MARTIN | PROVENCE-ALPES-COTE D'AZUR | FRANCE

Salary: Negotiable

PHS Job 3601

Perfect Household Staff is delighted to present a lovely opportunity for a kind, calm, and experienced **English Speaking Nanny** to join a welcoming private family in Roquebrune-Cap-Martin, on the beautiful French Riviera. The family comprises two adults and a young child aged 1,5 years old and already has another Nanny working within the household. They are seeking an additional professional who has a genuine interest in early childhood development and enjoys creating a warm, engaging, and reassuring environment for a young child.

This is a permanent, part-time, live-out position working Monday to Friday from 11:00am to 5:00pm, offering a consistent six-hour daily schedule and a good balance of professional and personal time. Working as a Nanny in this household involves caring for a 1,5 years old child, communicating exclusively in proficient English, supporting the child's daily routine, and organising age-appropriate creative, educational, and active play. The role also includes potty training, taking the child outdoors for walks and play, maintaining the child's room and play areas, and working cooperatively with the family's second Nanny and other household staff. The position is available on either a formal employment or self-employed basis.

The successful Nanny will be warm, patient, emotionally steady, and genuinely interested in the child's development, with a calm and reassuring manner and excellent awareness of child safety. Fluent English at C1 level or above is essential, while Russian and French would be welcome additional languages and may be reflected in the salary offered. Previous professional childcare experience and strong references from previous families are essential. The family is looking for someone punctual, responsible, discreet, well presented, and comfortable following established household routines while also taking initiative with play and activities. As the family is unable to provide visa sponsorship, applicants must already hold the right to reside and work within the EU.

Only candidates who have the eligibility to work in France will be considered for this role.
