

PERMANENT FULL-TIME LIVE-IN DOMESTIC COUPLE

LAKE DISTRICT | CUMBRIA | GB

Salary: £60,000–£65,000 Gross per Year

PHS Job 3600

A welcoming private household in the Lake District is seeking an experienced Domestic Couple to join their team on a long-term, live-in basis. This is an excellent opportunity for a practical, flexible, trustworthy and proactive couple who enjoy countryside living and take pride in maintaining a private home and estate to a high standard.

The couple will work together across the property, with one partner taking greater responsibility for estate maintenance, gardening, security and chauffeuring, whilst the other focuses on housekeeping, laundry, ironing and household organisation. Both will support each other as required.

The property includes gardens, a vegetable garden and greenhouse, and the role involves general maintenance, minor repairs, contractor coordination and ensuring the property remains secure, particularly when the principals are away. The family has four extremely friendly Spaniels, and the successful couple should be genuinely comfortable around dogs and happy to assist with their care when required. The property also has chickens.

The successful couple will be provided with **fully furnished, private accommodation on the property with a separate entrance**, allowing them to enjoy their own space and privacy. The family offers **formal employment with standard holiday entitlement** and is looking for professionals who are seeking a stable, long-term position within a welcoming private household.
