

PERMANENT PART-TIME LIVE-OUT HOUSEKEEPER JOB BETHERSDEN | KENT | GB

Salary: £25 - £27 GROSS PER HOUR

PHS Job 3636

Perfect Household Staff is delighted to present a lovely opportunity for a professional, proactive, and detail-oriented Housekeeper to join a welcoming private household in Bethersden, near Ashford, Kent. The household comprises two adults living in a beautifully renovated seven-bedroom home, with two small and friendly dogs. The principals are seeking a highly organised Housekeeper with an exceptional eye for detail, excellent standards, and a proactive approach to maintaining the home. This is an excellent opportunity for an experienced Housekeeper who enjoys working independently and takes pride in keeping a well-appointed family home immaculate and organised.

This is a permanent, part-time, live-out position based in the peaceful Kent countryside, with working hours on 2 full week days. Due to the rural location, a **driving licence and own car are essential** for this position. The role offers a consistent two-day working pattern and would suit a reliable Housekeeper looking for a long-term position within a private household. The successful candidate will be responsible for maintaining the home to a very high standard while managing laundry and supporting the general organisation and smooth running of the property. The position is offered on a self-employed basis.

Working as a Housekeeper in this household involves regular cleaning and upkeep throughout the seven-bedroom property, together with laundry, ironing, folding, and putting clothes away. The Housekeeper will also assist with seasonal wardrobe rotation, including appropriate moth treatment, organise household storage, accept deliveries, and liaise with contractors when required. The two small dogs are friendly and accustomed to the household environment, although no pet care is required. The principals are looking for someone tidy, conscientious, proactive, and confident using their own initiative, with the ability to maintain excellent standards without requiring close supervision.
