

TEMPORARY LIVE-IN HOUSEKEEPER/COOK JOB BROMLEY, LONDON, GB

Salary: £23,000 – £27,000 gross per hour

PHS Job 3638

A lovely family in Bromley, London, is seeking an experienced Temporary Live-in Housekeeper/Cook to provide cover for their established household while their current Housekeeper/Cook is temporarily unavailable. The assignment is expected to last for a minimum of three weeks, with the possibility of an extension depending on the family's requirements.

The household comprises one principal and her two children, one of whom is not always resident, together with an elderly relative. The role is full-time, working five days per week, generally from approximately 8:00am to 6:00pm. Any additional hours worked as overtime will be paid separately. The successful candidate will be responsible for the daily housekeeping of frequently used rooms, general maintenance cleaning, laundry and ironing, wardrobe care including delicate and fine garments, and the preparation of simple, healthy and nutritious family meals. A cleaner also attends the property twice a week to assist with deep cleaning and heavier household tasks, allowing the Housekeeper/Cook to focus on the daily running of the home, family support and other household responsibilities.

The successful candidate will be provided with private live-in accommodation, including a bedroom with an en suite bathroom on a separate floor, offering a comfortable degree of privacy while remaining accessible to the household when required.

The role also includes occasional errands such as grocery shopping and dry-cleaning collection, and liaising with the PA or relevant household contacts regarding maintenance and contractor visits. A driving licence is essential, and an automatic car will be provided for school runs and household errands. This is an excellent opportunity for an experienced Housekeeper/Cook seeking a well-paid temporary live-in position with an established private family in Bromley, offering comfortable accommodation, a manageable household structure and additional overtime paid separately.
