

PERMANENT FULL-TIME LIVE-OUT HOUSEKEEPER JOB BIBURY | GLOUCESTERSHIRE | GB

Salary: £21 - £23 gross per hour

PHS Job 3648

Perfect Household Staff is delighted to present a fantastic opportunity for a highly experienced, flexible, and detail-oriented Housekeeper to join a welcoming private family estate in the beautiful village of Bibury, Gloucestershire. The household is a weekend home to two adult principals and their three children and includes a main six-bedroom house, a gym house with spa and garage and a guest house which are rented for 10-15 weeks a year. The family is seeking a reliable Housekeeper who can take pride in maintaining the homes and providing practical support to the family throughout the year. Bibury is one of the Cotswolds' most picturesque villages, surrounded by beautiful countryside and attractive local villages, making this an excellent opportunity for someone who enjoys working in a peaceful rural setting.

This is a permanent, part-time position working four days per week, comprising three weekdays and Saturdays when the principals are in residence, for approximately 30 hours per week plus additional ad hoc hours. The position can be offered on either a formal employment or self-employed basis. Due to the rural location, a driving licence and access to a car are essential. The successful Housekeeper will ideally live locally and be comfortable with occasional additional hours when required, particularly around family gatherings, parties, guests, or rental periods. The role offers a consistent core schedule while providing opportunities for additional hours throughout the year.

Working as a Housekeeper within this household involves caring for the main residence and providing support across the estate's rental properties, which are occupied for approximately 10–15 weeks per year. Regular responsibilities include cleaning and general household organisation, laundry and ironing, changing bed linen and towels, basic wardrobe care, keeping the fridge well stocked, and ensuring the properties are well presented. When rental properties are occupied, the Housekeeper will assist with key handovers and act as a reliable point of contact on the ground. This is a hands-on position suited to a highly experienced Housekeeper with excellent attention to detail, flexibility, and a practical approach to supporting a busy private household.

Only candidates who have the eligibility to work in the UK will be considered for this role.
