SALARY: FROM CHF 60,000 GROSS PER ANNUM

PHS JOB 3649

A warm and welcoming family based in Lugano is looking for an experienced, local Housekeeper to join their household on a long-term, full-time basis. This is a lovely, English-speaking family who value positivity, friendliness, and a genuinely warm presence in the home, someone who fits naturally into a small existing team, working alongside a PA and a Live-In Nanny.

The family currently reside in temporary accommodation within a hotel apartment complex, and are looking for someone reliable to help with general cleaning and day-to-day household support during this period, and to continue with them long-term. There is one child, who attends school full-time, so a genuinely child-friendly attitude is important. A french bulldog will also be joining the family soon, so comfort around animals is a must.

The ideal candidate is someone who follows instruction well, delivers high-quality, detail-oriented housekeeping, and is happy to help with some light cooking alongside general cleaning duties. Driving is a big bonus, and familiarity with the local roads and routes around Lugano would be especially welcome.
