

PERMANENT PART-TIME LIVE-OUT HOUSEKEEPER JOB

FULHAM | LONDON | GB

SALARY: £20 – £25 PER HOUR GROSS

PHS JOB 3663

A lovely, welcoming small family based in a beautiful ground-floor mansion block flat in Fulham, South West London, is looking for an experienced, reliable Housekeeper to join their household on a permanent, part-time basis.

The household consists of a mother and her two young children, both of whom attend school full time. The children will not be present during working hours, so this is a purely housekeeping role with no childcare responsibilities whatsoever. This is a hands-on, practical housekeeping position across a four-bedroom, two-bathroom property. The family are looking for someone experienced, mature, and thorough — someone who takes genuine pride in keeping a home beautifully maintained and running smoothly.

The family have a preference for eco-friendly and natural cleaning products, so an awareness of and comfort with green cleaning methods is a welcome bonus.

This is a wonderful chance to join a warm, friendly household in one of London's most desirable areas. The hours are consistent and predictable, the role is purely housekeeping with no childcare involved, and the family are genuinely appreciative and keen to find the right person for the long term. For the right candidate, this could be a very stable and rewarding placement.
