

**PERMANENT LIVE-OUT PART-TIME ENGLISH AND GEORGIAN/RUSSIAN SPEAKING
NANNY JOB
PALM JUMEIRAH | DUBAI | UAE**

Salary: AED 9,000 – 10,000 gross per month

PHS Job 3669

Perfect Household Staff is delighted to present a lovely opportunity for a warm, calm, and patient Nanny to join a Georgian and Russian-speaking private family based on the prestigious Palm Jumeirah in Dubai. The family comprises two adults and their four-year-old child, and they are looking for a caring and energetic professional to provide engaging English-language support through play and everyday interaction.

This is a permanent, part-time, live-out position working approximately 18 hours per week across four days, including weekends and two additional weekdays. The family already has a nanny in place, allowing the successful candidate to focus specifically on the child's English development and provide dedicated, one-to-one educational support. Working as a Nanny in this household involves creating an enjoyable and age-appropriate learning environment through conversation, stories, songs, creative activities and movement, while also providing attentive care and companionship during the sessions.

Working as a Nanny involves supporting the child's early English development through natural conversation and play rather than formal classroom-style teaching. The successful candidate will use child-appropriate language-learning methods to encourage confidence and communication while keeping activities engaging, varied and enjoyable. The role would suit a warm and responsible professional with experience working with children aged two to four, fluent Georgian and/or Russian, proficient English, patience and a strong understanding of child safety. Early-years qualifications and paediatric first-aid training would be welcomed, together with recent parent or employer references. Candidates should already be based in Dubai or a nearby emirate and be able to travel regularly to Palm Jumeirah. Please note that the family does not offer visa sponsorship.

Only candidates who have the eligibility to work in the UAE will be considered for this role.
