

PERMANENT PART-TIME LIVE-OUT HOUSEKEEPER JOB CHRISTCHURCH | DORSET | GB

Salary: £22 - £23 GROSS PER HOUR

PHS Job 3673

Perfect Household Staff is delighted to present a lovely opportunity for a proactive and reliable Housekeeper to join a welcoming private family living near Christchurch in Dorset. The household comprises two adults and their two young children, aged three and five, together with a small Toy Poodle. The family is looking for someone who takes pride in their work, uses initiative and would enjoy becoming a trusted and consistent part of the household over time.

This is a permanent, part-time, live-out position currently offered for approximately eight hours per week, which can be arranged as either one full working day or two shorter days depending on the successful Housekeeper's availability. As the property is located in a more rural area near Christchurch, a driving licence and own car are required for the commute. The role is initially focused on regular housekeeping and household organisation, making it well suited to a professional Housekeeper looking for a small, consistent private household commitment. Over time, as the family's needs develop, there may be an opportunity for the hours to increase and for the role to include occasional childcare, such as staying with the children while the parents are busy or taking them to parks and playdates.

Working as a Housekeeper in this household involves maintaining the home clean, tidy and well organised, with responsibility for general cleaning, laundry and ironing, particularly for the children, as well as keeping the household running smoothly. There may also be some seasonal wardrobe organisation for children and, when time allows, simple meal preparation for the children. To keep the workload manageable within the limited weekly hours, duties will be planned and prioritised across the working days, with tasks that are not required on one day carried forward to the next scheduled visit. The family is looking for someone proactive and initiative-driven who can provide consistency and become a valued member of the family.

Only candidates who have the eligibility to work in the UK will be considered for this role.
