PETERSHAM | RICHMOND UPON THAMES | LONDON | GB**

Salary: £25 - £26 gross per hour

PHS Job 3679

Perfect Household Staff is delighted to present a lovely opportunity for a professional, reliable, and proactive Housekeeper to join a welcoming family home in Petersham, Richmond upon Thames. The household comprises two adults and three teenage children, along with three Corgis and a Labrador, so the successful candidate should be comfortable and happy around dogs, although no pet care will be required. The family has recently relocated to Great Britain and is now looking for a dependable Housekeeper to become a valued part of the household.

This is a permanent, part-time, live-out position offering approximately 16 hours per week, with working days flexible according to the successful candidate's availability. The role can be arranged across two to five weekdays, with weekends not required, making it particularly suitable for an experienced Housekeeper looking for a flexible and manageable long-term position. The family is looking for someone who enjoys keeping a home clean, tidy and organised, and who is comfortable working around teenagers and several friendly dogs.

Working as a Housekeeper in this household involves keeping the home clean, comfortable and well organised, with particular attention to everyday tidiness and maintaining the property around family life and the dogs. Responsibilities will include regular cleaning, tidying, ironing, occasional laundry assistance, basic children's wardrobe organisation, taking bins out, accepting deliveries, helping with groceries and occasional assistance with meal prep. As the family has recently moved, there will also be some practical support with preparing the home before their belongings arrive and helping to organise household areas once everything has been delivered. The successful candidate should be flexible, proactive and comfortable using initiative, with occasional simple meal preparation or kitchen assistance appreciated when required.

Only candidates who have the eligibility to work in the UK will be considered for this role.
