

PERMANENT FULL-TIME TRAVELLING NANNY JOB

FULHAM | LONDON | GB

SALARY: from £30 PER HOUR GROSS

PHS JOB 3698

A friendly family in Fulham are looking for an experienced nanny to join their home. They have two children, a boy who is almost 6 and a girl aged 4, and they love to travel, so the role includes holidays during school breaks. Fulham is a great place to be based, with riverside walks, Bishop's Park, Fulham Palace and its gardens, and plenty of lovely spots for little ones. Craven Cottage is just down the road too.

You become a trusted part of the children's day-to-day lives, helping with routines, play, learning and getting out and about. The usual duties include looking after the children's everyday needs, school runs, preparing healthy meals and snacks, keeping their rooms and play areas tidy, and arranging activities and outings. In this role, you would also travel with the family on holidays during school breaks.

This is a private family home with a small, friendly team. You would be working alongside a personal assistant and a housekeeper, who is responsible for household organisation and all of the household chores. This means your focus would be on the children, and you would work closely with the team to keep family life running smoothly.
