FULL-TIME LIVE-OUT HOUSEKEEPER JOB

EAST FINCHLEY | NORTH LONDON | GB

Salary: £47840 - £56160 gross per annum, based on qualifications

PHS Job 3708

A private family in East Finchley is seeking an experienced, reliable and hardworking Full-Time Live-Out Housekeeper to take responsibility for the upkeep of their family residence. The household consists of four family members, with no pets. The family is looking for a dedicated professional who can maintain a clean, organised and welcoming home, taking pride in their work and ensuring that all household areas are consistently well presented.

East Finchley is a pleasant residential area of North London, offering a village-like atmosphere with a good selection of local shops, cafés and restaurants, as well as nearby green spaces. The area combines a quieter residential setting with convenient access to central London, with East Finchley Underground Station providing direct connections via the Northern Line. This makes it a practical and appealing location for live-out professionals seeking a position within an established North London neighbourhood.

The family previously employed a Housekeeper who worked independently and maintained the property to an excellent standard. Now that she retired after working in the household for several years, they are looking for a similarly capable professional who can take ownership of the housekeeping, manage their daily responsibilities efficiently and maintain consistently high standards without requiring constant supervision. The family values reliability, practical experience and a stable working relationship, and would ideally like to find someone who is interested in becoming a trusted and established member of the household for many years. This is an excellent opportunity for a hands-on Housekeeper who enjoys working independently and takes genuine pride in looking after a substantial private residence.
