PERMANENT PART-TIME LIVE-OUT HOUSEKEEPER JOB

CLEASBY | NORTH YORKSHIRE | GB

SALARY: £23–£25 GROSS PER HOUR

PHS JOB 3740

A family with school-age children in Cleasby, Darlington area in North Yorkshire, is looking for a reliable Housekeeper to look after their home three days a week. This is a permanent, part-time, live-out position of about 24 hours a week. The house can be reached both by car and by public transport.

The home is a two-floor house with four bedrooms and four bathrooms, with stone and marble surfaces in places. The family would like the house kept very clean throughout, with the beds changed and the laundry and ironing done, so the role covers all of the housekeeping. Cooking is not part of the role.

Reliability matters most to this family: a Housekeeper who arrives on time, takes pride in a high standard and is happy to work independently. With three full days each week, the successful Housekeeper will be trusted to plan their own time and keep the whole house in good order, and the family will gladly leave the running of the housekeeping in capable hands. From time to time the family would also welcome help with babysitting in the evening, with the working hours adjusted around it.

This position would suit an experienced Housekeeper who enjoys caring for a family house independently, is comfortable working around children and would value settled part-time hours in a permanent role.
